creativity and a love of art
through diverse fine-art
exhibits, programs, classes
and lectures.*

FREE ART CLASSES FOR OUR COMMUNITY

Bozeman Art Museum began our Youth Education Program in 2017 and it has grown each year. We believe in *creative aging*, a way to learn about ourselves, our world, and continue education and play in the realm of art throughout the lives of all of our community members.

SKILL BASED ART EDUCATION

Our art program is not just colors, paper, and free-styling; it is a sound art program that teaches children, and adults, how to draw and use the materials concisely and effectively. We researched numerous art curricula and decided to create a customized approach based on the classical skills-based DaVinci Initiative teachings, the Mona Brookes 'Monart' lessons, and Betty Edwards which addresses the teaching of the language of art.

ART EDUCATION PARTNERSHIP

With a one time or yearly contribution to the Bozeman Art Museum's Art Education Program you can help keep art classes and art supplies for our programs free to all participants. Before BAM, only two elementary schools had consistent art classes in Gallatin Valley. Now, **BAM teaches at 13 elementary schools, at over 8 local non-profits and at two nursing homes.** Your support will help keep this program alive and bring lifetime learning in the arts to our vibrant community.

With \$2,500, we can provide six weeks of free art education to a new school or non-profit organization. With \$5,000, we can hire on a new teacher to further our teaching capacity and bring an artist into the world of teaching.

With \$25,000 you can make a direct & lasting impact that will go towards improving our teaching space and developing our education capacity.

By committing to a yearly contribution, you will create a direct impact in Bozeman's community and show your dedicated support for the value of art.

Education sponsors will receive a prominent thank you for their support on our education home page, social media promotion in connection to our classes and all benefits included in the Sponsorship page according to donation tier.
